

## Physics Division ESH Bulletin 02-9

### **PERSONAL PROTECTIVE EQUIPMENT, SIDE SHIELDS REQUIRED FOR SAFETY GLASSES**

ORNL SBMS Subject Area: Personal Protective Equipment, Procedure: Eye and Face Protection (September 23, 2002) includes a **NEW REQUIREMENT**:

Permanent or detachable side shields or wrap around frames are required for all safety glasses and spectacles.

It may take some time to adjust to wearing side shields or wrap around safety glasses, but it will take much longer to adjust to losing your eyesight. Don't take your eyesight for granted!
