

**PHYSICS DIVISION TRAINING REQUIREMENT REVIEW FORM – 6/12/2013, S. Kennedy**

Preparer's Initials \_\_\_\_\_ Charge # \_\_\_\_\_ Date \_\_\_\_\_

Name \_\_\_\_\_ (Last Name, First Name, M.I.) \_\_\_\_\_ Assignment Begin/End Dates \_\_\_\_\_ Badge # \_\_\_\_\_

Building/Room \_\_\_\_\_ Phone \_\_\_\_\_

Email address \_\_\_\_\_ Supervisor \_\_\_\_\_

Status: Employee \_\_\_ User \_\_\_ Guest \_\_\_ RIB # \_\_\_\_\_ Intermittent \_\_\_ Full time \_\_\_

**ACTIVITY**

**TRAINING REQUIRED**

Users/Guest doing research/experiments	Read/Sign ESH&Q Requirements for Guest Researchers Form
Unescorted ORNL Site Access	ORNL Site Access Training
*Person Conducting Hands-On Work	ORNL Environmental Management Awareness
Physics Division Employees Only	ORNL Export Control Awareness Training Physics Division Waste Certification Awareness
Unescorted Access to 6000, 6000B, 6005	HRIBF Building 6000 Unescorted Access #B1
Access to 6000 Controlled Entry areas	HRIBF Rad Safety Module C1
Access to ORELA Basement area	ORELA Basement Access Training
Work at the SNS	ORNL Rad Worker Training may be required
*Be exposed to electrical hazards *Perform experimental work *Work w/chemicals/hazardous materials	Physics Electrical Safety Physics Experimental Safety <b>Read RSS</b> Physics HazCom #1309 & HazCom Form #1310
*Enter radiological areas and/or handle radioactive sources (1 course and PF)	Physics Rad Worker I #2107 Physics Rad Worker I Practical Factors #02107
Enter contamination areas (1 course and PF)	Physics Rad Worker II #2108 Physics Rad Worker II Practical Factors #02108
Work on or near energized electrical equipment >50V	ORNL Electrical Safety Training for R&D Staff Qualification for Electrical Work Form Breaker & Disconnect Operator Training
Operate or be exposed to Class 2 or 3a Lasers	ORNL Laser Safety Training - Low Power
Operate or be exposed to Class 3b or 4 Lasers	ORNL Laser Safety Training - High Power
Enter confined spaces	ORNL Confined Space Training
Use Self-Contained Breathing Apparatus	ORNL SCBA Training
Operate cranes & hoisting equipment	ORNL Crane Operator Training
Use lockout/tagout procedures	ORNL Lockout/Tagout Training
Serve on 6000 Emergency Squad	6000 Local Emergency Squad #J1
Serve on 6010/6025 Emergency Squad	6010 / 6025 Local Emergency Squad
Use a respirator	ORNL Respirator Training

**\*These modules comprise the standard block of training required for hands-on work**

**Additional Comments:** \_\_\_\_\_

Group Leader \_\_\_\_\_ Date \_\_\_\_\_

Supervisor in SAP (if not Group Leader) \_\_\_\_\_ Date \_\_\_\_\_

Reviewed (Training Officer) \_\_\_\_\_ Date \_\_\_\_\_
