

ENERGY LEVELS OF LIGHT NUCLEI, A = 20¹

D. R. Tilley,^{2,3} C. M. Cheves,^{2,4} J. H. Kelly,^{2,4} S. Raman,⁵ and H. R. Weller^{2,4}

Compilation of energy levels of A = 20 nuclei, with emphasis on the review of material leading to information about the structure of the A = 20 systems.
